

Greetings from Pennsylvania's Highest Skiable Mountain!

The days are getting shorter and the temperatures are cooling down. Fall is here and winter is not far behind. Fresh air and exercise are important to all ages, no matter what time of the year! This winter, when we are still dealing with COVID-19, many schools are not hosting or sponsoring any field trips or off-campus activities, so getting outside will be up to parents and families. Over the years, Blue Knob All Seasons Resort has traditionally offered schools & other groups extremely affordable group rates for a series of ski/snowboard lessons & outings or snow tubing sessions. This year, if your school or your child's school is not coordinating any ski/snowboard or snow tubing trips, we want parents and group leaders to know that we are offering group rates to any group of 15 or more who buy 1 to 3 visits and to groups of 10 or more who buy a 4-visit package. You can book these directly through our group sales office. We have several levels of pricing that begin as low as \$92 for the 4-week program for an elementary school child.

Winter adventure awaits! You don't have to spend the winter inside! If you haven't been with us for a while, you may not know that the resort is under new ownership and new management. Our new tubing park at the top of the mountain will be in operation. We have also made improvements to our facilities and snowmaking! We are, and have been, in full compliance with all COVID-19 related mandates and restrictions and will continue to do so through the ski season to ensure all of our guests have a safe and enjoyable experience.

We've included information on weekday and weekend group rates, rental, and lessons, as well as snow tubing rates and program guidelines. In the midst of the COVID-19 mandates & restrictions, we have to add that this information is subject to change.

Payment, along with completed applications and rosters, must be returned by December 31, 2020. Please look over the information carefully and feel free to email or call with any questions you might have. We are always happy to help you and your group have an enjoyable time at Blue Knob.

If you have questions or need more information, please call 814-239-5111. Email can be directed to marketing@blueknob.com or groups@blueknob.com.
